What i like talking about

Just a range of things, you cannot get me from yapping on!

Artificial Intelligence

What AI is, how it learns, and how it already shapes everyday life.

Software

How software is changing. Why are 1Cr+ retail stores in India still not using any software

Money

Does it matter? Yes it does.
Should it matter? _____

Education

12+2+4= 18 years
I still learned more from Youtube.

Tech Accessories

The world feels so sci-fi right now. It’s sad if you’re not in the same robocop movie I am.

The Future

I don’t know what it’s going to be. But when has a little imagination done any harm?
